

Ransomville begins Kart Season with Successful Wednesday Night Special!

Go Kart Season finally started on June 19th for Ransomville Speedway. We had 41 Karts in attendance on a Wednesday instead of the normal Thursday. Mother Nature has not been cooperative this season for our Go Kart Racing. The track was great and racing was good to watch. We have a lot of new faces at the speedway and were excited to see what they can do this season. Everyone is welcome to attend the races for Free in the Grandstands to root on their favorites.

We had 2 features in the Just Signs and Designs Novice division. Returning Brandon Guyette won his feature after a few spin outs from various drivers. Winning the 2nd feature was Cavan Burke new to the Little R.

Jeffery Machine Junior 2 class was very competitive with Mario Camillo taking the win. Sal Paonessa and Brayden Bills rounded out the top 3.

Fishers Automotive Senior Lites had returning Jeffery Chapman take the win over T.J.Scime and Jeff Anstett.

Slack Karts Junior one division pretty much consists of Novice drivers from last year that are getting the hang of things. It was good racing amongst all the drivers. Jocelyn Just had her first win of the season while Newcomer Wayne Swinson finished 2nd and Jacob Schultz rounded out the top 3.

Fitzgibbon Contracting and Construction Junior 3 saw some fast racing. They were using every bit of race track to get around one another. Riley Bloomingdale won the feature, Aiden Seefeldt and Abbigail Castile rounded out the top 3.

The Finish Line Auto Detail Senior Heavies is one of the most competitive divisions as it mainly consists of adults. Good Fun to watch racing! Jeff Anstett won the feature followed by Jeffery Chapman and Mike Seefeldt.

Thank you to all that came out to watch and support your favorite driver.
