2025 Rule(s) Bulletin

Bulletin: 2025 – January 10, 2025

DIRTcar Sportsman/Pro Stock Licensed Competitors Running DIRTcar 358/Big Block Events.

Rulebook Section 3 Memberships/E. Minimum Requirements/vii. Restrictions:

3. A DIRTcar Pro Stock and/or Sportsman driver may race in a DIRTcar Big Block Modified and/or 358 Modified sanctioned with approval by a WRG Supervisory Officials.

The following guidelines have been set up for more clarity:

1. A DIRTcar Sportsman/Pro Stock licensed driver may run up to eight (8) big block, big small block or 358 events in a current year **regardless of sanction or track**. To count as an event, driver would be qualified and run a feature event. Once a driver reaches the eighth event, he/she will either stay DIRTcar sportsman/Pro Stock or move up to DIRTcar 358/Big Block. (Driver must also upgrade to 358/Big Block license).
2. If a driver wants to run both classes on a particular night (weekly or Series). You must reach out to the track (weekly) or DIRTcar (Series) before arrival.
3. A DIRTcar Sportsman/ProStock Driver once he/she hits a **“lifetime total”** of sixteen (16) feature events (in 358, big small block, or BB) while a DIRTcar Sportsman or DIRTcar Pro Stock licensed member he/she will be required to move up to DIRTcar 358 or Big Block class. (Ex. If you did run eight (8) events in 2024, you may only run eight (8) more in any period after that).
4. When a driver does want to move up to DIRTcar 358/BigBlock that driver must reach out to Dean Reynolds before competing.

*** Note – Above also applies to non-DIRTcar licensed drivers that want to join a DIRTcar Sportsman or Pro Stock event.

Rulebook Section 3 Memberships/ E. Minimum Requirements/vii. Restrictions:

2. Any driver who possesses a current or previous year DIRTcar Big Block Modified and/or 358 Modified membership license will not be permitted to compete in any DIRTcar sanctioned Sportsman Modified, Pro Stock and/or Stock Car event without approval by a WRG Supervisory Officials.
